STUDENTS TESTIMONIAL

Itpreneur is very good institution, and very good faculty is also here. And I also got placed in good company with 8lakh package.

I had a lot of years gap before joining ITpreneur because of my pregnancy. But after joining ITpreneur not only improved my technical knowledge but also got a job in a reputed IT company with 4.5 LPA Package. The staff and Yogesh Sir and Pranit Sir also helped me a lot to improve my skills...Thank you so much for all Team ITpreneur.

All staff is very friendly and cooperative. They always keeps us motivated and inspired to get our dream job. I got placed as salesforce developer in IT company. Thanks to Itpreneur & team.

Itprenur is a good institution, faculty here is also very experienced and because of that i got placed in IT company with good package. Thank you ITpreneur

I am very thankful to the whole team of ITpreneur for providing me all support towards my career growth. Even being a fresher I'm facing issue regarding my placement . Through the assistance of the whole ItPreneur team now I'm Placed in good organization company with a 4.5 LPA and happy for this opportunity. I'm very thankful to, all training team and placement team for good path of my future. Choosing ItPreneur becomes my great decision.

I have completed Graduation in chemistry from shivaji university. After graduation I was searching for a job..but it was difficult for me to find one...so one of my friend suggest me to itp. Here the training team are also good and very helpful they will guide every student in whatever field they belong. And I really want to thanks to vijay sir he really helped me and guided me. And I would like to thanks yogesh sir and all training faculty and placement team.
